

Luca Vigotti

Front-End Developer

✉ lvigotti@gmail.com ☎ 05068618263 📍 Tokyo, Japan in Luca Vigotti 🌐 Vigoluca

PROFILE

Multilingual professional from Italy with a passion for Front End Development. I discovered this passion when I worked as an IT Recruitment Consultant. When I started researching the industry I tried coding to better understand the roles I was recruiting for. Doing this I realized coding is what I want to do. I have lived on every continent but Antarctica and I have worked with people from all over the world. Now my journey has me as a developer in Japan.

EDUCATION

Web Development Bootcamp LeWagon Tokyo	01/2023 – 03/2023 Tokyo, Japan
BA in Psychology Vancouver Island University	09/2015 – 06/2019 Nanaimo, BC, Canada
Japanese Language Student Yoshida Institute of Japanese Language	10/2019 – 09/2020 Tokyo, Japan

PROJECTS

Kotoback [🔗](#)

- Users can upload epub ebooks which are automatically translated and turned into flashcards. I primarily worked on the Front End. I was in charge of all the UI and UX aspects of the app.
- HTML5, CSS, Javascript, Ruby on Rails

Haunted Tours [🔗](#)

- Spooky tour ideas based on the Airbnb model which allows you to host and/or book a tour.
- HTML5, CSS, JavaScript, Ruby on Rails

SKILLS

HTML5 | CSS | JavaScript | Ruby | Ruby on Rails | Figma
